**Beatitude of a scholar kitty**

C.L. James in his delightful book, To See a World in a Grain of Sand, tells the fable of a wise old cat who notices a kitten chasing its tail. "Why are you chasing your tail?" said the wise old cat. The kitten replied, "I have learned that the best thing for a cat is happiness, and happiness is my tail. Therefore, I am chasing it, and when I catch it, I shall have happiness." The wise old cat responded, "My son, I too have paid attention to the problems of the universe. I too have judged that happiness is my tail. But, I noticed that whenever I chase after it, it keeps running away from me, and when I go about my business, it just seems to come after me wherever I go." We do not find happiness in material things, in a pill, in a bottle, or by having love affairs. **Happiness is something that comes from within us. The only truly happy life is a life lived with God as our life's Source and our true center.** *Today's Gospel asserts that those who have recognized and acknowledged their dependence on God are the truly blessed*

*and that these are the poor in spirit, the sorrowing, the lowly, those who hunger and thirst for holiness, the merciful, the single-hearted, the peacemakers and those persecuted for their right convictions.*

**Is there anybody who is really happy?**

In the United States seventy people commit suicide every day and another 1,000 try it. That is 365,000 people every year who are unhappy enough to try to snuff out their own existence. Put another way, in your lifetime 15 million people in this country will attempt to end their lives. And the suicide rate is increasing the fastest among young people, rising nearly 300 percent among those 15 to 24 in the last twenty years. Is there anybody who is really happy?

**In today's Gospel Jesus reveals the secret of the true and lasting happiness which makes life worth living.**

**Life messages: We need to choose the way wisely.**

"There are two Ways, one of Life and one of Death, and there is a great difference between the two Ways." These are the opening lines of the "Didache," a first century Christian catechism used to teach new Christians the essence of the Christian faith. The way of life is the way of Jesus that leads to eternal life. The challenge of the beatitudes is: "Are you going to be happy in the world's way or in Christ's way?" **God wants us to live as brothers and sisters who care for one another.**

Take thee to church, or to the synagogue, or to the sweat lodge, wherever you might worship. University of Pittsburgh researchers say that weekly attendance at religious services MAY

**ADD YEARS** to a person's expiration date, an increase equal to that seen with using cholesterol-lowering medicines. Not religious? Commit to a weekly group activity that feels like a spiritual experience-like, say, watching football.
